BULLETIN FLAT GLASS & SHOWER ENCLOSURE PRICING

April 22, 2016,

Effective May 8, 2016, Wisconsin Shower Door will be changing pricing on Flat Glass, Shower Enclosures & Sundries. While we have worked diligently to absorb as much cost as possible through efficiencies in our business and supply chain, rising costs of goods and services from primary vendors make it necessary to take this action. Current pricing on outstanding quotes will be honored for 30 days, from the date of the quote.

Hard copies of the new Flat Glass price catalog and your new Shower Enclosure multipliers will be delivered to you starting April 29. Electronic copies of these catalogs will also be available online on April 29.

If you have any questions please contact your sales representative, Randy at (414) 828-4957 or Mike at (920) 517-2737.

Sincerely,

Wisconsin Shower Door
