

Alumax

393CV Shower Door

The Alumax 393CV Custom Stikstall Shower Door with a frameless door is custom fabricated to exact opening dimensions. It easily adapts to buttress conditions.

Features include 1/4" glass in door, a 6" back to back formed metal handle, magnetic closure and a clear vinyl drip rail, all of which add an upscale look to the bath environment.

The 393CV Stikstall Shower Doors are available in satin, silver, gold and brushed nickel anodized finishes, as well as, an array of powder paint colors including oil rubbed bronze.
