

Alumax

640D/650D Sliding Shower Door

The Alumax 640D/650D Sliding Shower Door for tub and shower applications are sturdy framed panels with a towel bar which is not only attractive, but functional.

Features include adjustable sealed heavy duty ball bearing rollers, safety tee-lock wall jamb to header connection, and molded jamb bumpers with concealed fasteners. Molded nylon panel guide of sufficient height to prevent accidental dislodging of interior panel.

The 640D/650D Framed Sliding Shower Doors are available in satin, silver, gold and brushed nickel anodized finishes, as well as an array of powder paint colors including oil rubbed bronze.
