

Alumax

738 Pivot Shower Door

The Alumax 738 Pivot Shower Door is a strong smooth-working pivot, that is not only attractive, but functional.

Features include full length magnetic closure, trouble free nylon pivot bushings and a horizontal drip trough that collects and drains remaining water back into the shower when the door is opened.

The 738 Pivot Shower Door is available in satin, silver, gold and brushed nickel anodized finishes, as well as, an array of powder paint colors including oil rubbed bronze.
