794 Pivot Shower Door

The 794 Custom Stikstall Shower Door with a framed pivot door is custom fabricated to exact opening dimensions. It easily adapts to buttress conditions and odd angle conditions.

Features include full length magnetic closure, trouble free nylon pivot bushing with safety clip and a horizontal drip trough that collects and drains remaining water back into shower when the door is opened.

The 794 Pivot Stikstall Shower Door is available in satin, silver, gold and brushed nickel anodized finishes, as well as, an array of powder paint colors including oil rubbed
