

Alumax

795 Pivot Shower Door

Photo not available at this time.

The Alumax 795 Stikstall Panel, Door, and Panel adapts quickly and economically to virtually any shower opening with a maximum of 60" width.

Features include full length magnetic closure, trouble free nylon pivot bushing with safety clip and a horizontal drip trough that collects and drains remaining water back into shower when the door is opened.

The 795 Panel, Door and Panel Stikstall enclosure is available in satin, silver, gold and brushed nickel anodized finishes, as well as, an array of powder paint colors including oil rubbed bronze.
