

Alumax

1040/1050 Heavy Glass Sliding Door

The Alumax 1040/1050 Heavy Glass Frameless Sliding Door offers an up-scale look to the bath environment.

Features include 3/8" glass, a variety of towel bar and pull options, and sealed ball-bearing rollers operating in a gracefully rounded header. The heavy glass adds rigidity and weight to the enclosure.

The 1040/1050 Sliding Shower Door is available in satin, silver, gold and brushed nickel anodized finishes as well as an array of powder paint colors including oil rubbed bronze.
