

Alumax

392CV Stikstall Shower Door

The Alumax 392CV Custom Stikstall Shower Door with a frameless door is custom fabricated to exact opening dimensions. It easily adapts to buttress conditions.

Features include 1/4" glass door, a 6" back-to-back formed metal handle, magnetic closure and a clear vinyl drip rail, all of which adds an up-scale look to the bath environment.

The 392CV Custom Stikstall Shower Door is available in brite silver, satin silver, gold and brushed nickel anodized finishes, as well as an array of powder paint colors including oil rubbed bronze.
