

Alumax

791 Pivot Door and Panel

The Alumax 791 Pivot Stikstall Door and Panel adapts quickly and economically to virtually any shower opening from 36" to 60" wide.

Features include full length magnetic closure, trouble free nylon pivot bushing with safety clip and a horizontal drip trough that collects and drains remaining water back into shower when the door is opened.

The 791 Pivot Stikstall Door and Panel is available in brite silver, satin silver, gold and brushed nickel anodized finishes, as well as an array of powder paint colors including oil rubbed bronze.
